How to access and use google classroom

Google Classroom is a free Google App that aims to simplify creating, distributing and assessing learning in a paperless way. Teachers can use Google Classroom to send announcements to entire classes, share resources, lesson notes, PowerPoints, diagrams, and home learning. Pupils can use it to access work covered in class in school, at home or on the go and complete home learning. Parents can use some of the features of Google Classroom to help engage with and support pupils in their home learning. It is a free resource that can be accessed from any device connected to the internet - laptops, desktop computers, chromebooks, tablets or mobile phones.

How to access it:

1) 	Go onto the internet provider and type in google

2) Click on the sign in button

3) You will then have to sign in with your child's user account. They have an account already.
