Pupil Remote Learning Code

When online at home whilst learning and having fun.....

As a pupil I will:

- Use technology safely and sensibly, the same as I would in school.
- Use websites that I have been directed towards by my teacher or ones which my parents/carers have agreed are acceptable for me to use.
- Not go on a website or download anything without permission from my parent/carer.
- Inform an adult if I see something that concerns me.
- Complete my work as though I was in school. I will complete it to the best of my ability.
- Not give out any of my personal information online.
- Treat others as I would treat them in school. I will be nice and kind.
- Ask for help or guidance if I need it.
- I will be dressed and ready to learn.
- Have fun, enjoy my learning and stay safe.
