

# Glen Class Term 6 On the Beach

## Forest school

We will carry on exploring the area and talk about seasonal changes. This term we will concentrate on story telling within the forest.

## History/Geography

We will be looking at the oceans of the world, how we can look after them and stop pollution. We will then investigate the coast line, researching the physical and human features and what lives in rock pools.

## Art and DT

We will be colour mixing with primary and secondary colours.

Creating images of fish, exploring textures and creating a 3D habitat.

## Understanding the World/ Expressive Art and Design

## Music

We will carry on with learning our songs ready for a showcase. Our music genre of the term will be songs from the dream works productions.

Some of the vocabulary we will be using this term.

# Phonics

We will be consolidating our set 1 sounds including our special friends. We will continue to write words using our sound of the day and also simple sentences. We will carry on with our red reading books and will start to look at set 2 ready for going into year 1.

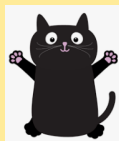

# Maths

We will consolidate all of our learning, ensuring that we know our number bonds to 5 and some to 10. Talking about our doubles, and odd and even numbers.

# Personal, Social and Emotional Development

Our topic this term is changing me. We will be looking at parts of our body, what foods are healthy, how we change from babies to adults and then look at our transition into year 1.

# Reading

These are some of the fiction and non-fiction books we will be sharing in our Literacy and Topic sessions this term.

# Physical Education

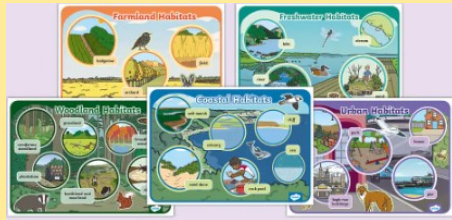

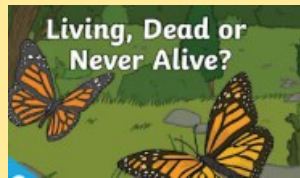

We will be using Real Pe to cover some more key skills. We will be concentrating on sending and receiving, reaction and response. We will also be taking part in some simple games.

## Science

We are continuing with habitats, concentrating on micro habitats.

We will also be researching what animals may eat and whether they are herbivores, omnivores or carnivores.

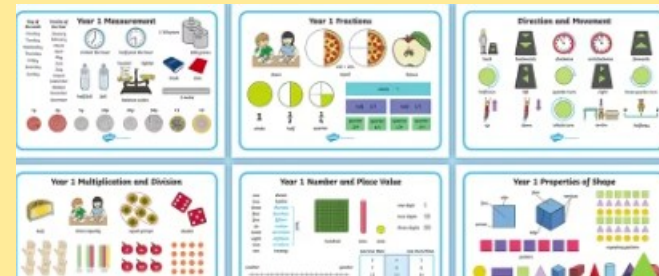

## Year 1 Maths

We will be consolidating our place value to 50 and count forwards and backwards to 100.

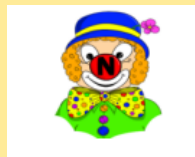

We will be looking at greater and less than, we will be partitioning numbers, using adding and subtracting. We will continue with our times tables in 2's, 5's and 10's.

We will also be

## English

We will continue to use our active English symbols to help us within our lessons. We will be creating recounts, ordering stories, discussing characters and writing simple narratives.

### Poem of the term

#### EYFS

Upon a beach

**Upon a beach  
Three small shells lay  
And saw the water  
Come out to play  
But, all the waves  
Went back to sea  
And took those shells,  
One, two and three**
