

# Glen Class Term 2

## Night sky

### Forest school

We will carry on exploring the area and talk about seasonal changes. We will also be creating some artwork outside using natural materials.

### History/Geography

We will start our topic by looking at the gunpowder plot and firework safety. We will start to look at space and how satellites help with our daily lives. We will also learn about Neil Armstrong.

### Art and DT

We will continue with colour mixing to make some fireworks pictures, we will also be making diva lamps out of clay.

## Understanding the World/ Expressive Art and Design

### Music

We will be carrying on with our drums, learning different patterns.

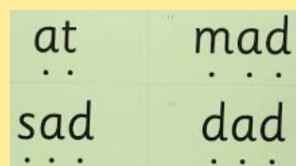

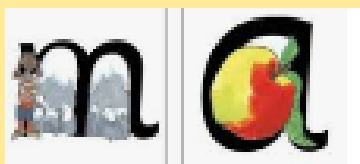

Some of the vocabulary we will be using this term.

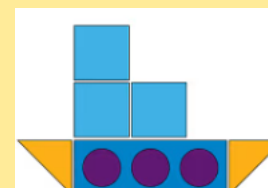

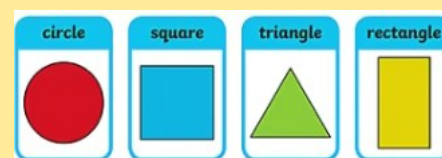

## Phonics

We will carry on reinforcing our set 1 sounds. We will use the magnetic letters to help us spell words and we will start to read out green words.

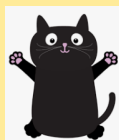

## Maths

We will carry on counting amounts up to 10. We will be comparing amounts and talking about one more and one less. We will be learning about shapes and spatial reasoning.

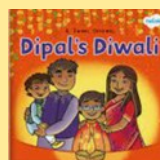

## Personal, Social and Emotional Development

Our topic this term is **Celebrating differences**. We will look at how we are all different and how to work with others. We will also look how to be kind and how we are unique.

## Reading

These are some of the fiction and non-fiction books we will be sharing in our Literacy and Topic sessions this term.

## Physical Education

This term we will still be using REAL PE to explore jumping and landing. We will continue using the parachute to help with our gross motor skills and will also be starting a dance unit.

Artistry

Partnering

Circles

Shapes

In this unit, the children will learn and develop shapes and circles and create sequences of movement with these through partnering and artistry.
